

“Open to all - whether up until now only singing
in the shower or an experienced singer”

ETCetera is now almost two years old, with members coming mainly from the Departments for Environment, Food & Rural Affairs (Defra); Transport (DfT); Communities & Local Government (DCLG), but with others from Energy & Climate Change (DECC); the Home Office; and the Church of England. The choir rehearses together for an hour on Thursday lunchtimes. An Easter performance of Handel’s Messiah raised £1,283, and in total performances have so far raised £2,678 for local charities.

We should like to thank you for supporting us today and we express considerable thanks to Rev. Philip Welsh and the Verger of St. Stephen’s for generously hosting our concert and to the Cardinal Hume Centre for the use of its Chapel for our rehearsals.

If you are interested in becoming a member of ETCetera, or wish to join our mailing list for notification of concerts, please email:

CHARITY COLLECTION

“**Next week** we at last start dismantling our old organ, and replacing it with a fine 1903 instrument of some historic significance. Thanks to the generosity of so many people, we have now raised £133,000 towards our **Organ Appeal** target of £150,000, and your contribution today will be greatly appreciated in helping us bridge final the gap. Please take an Organ Appeal brochure to find out more about what we are doing.”

Philip Welsh, Vicar of St Stephen’s.

Proceeds from the collection will also go to the **Cardinal Hume Centre** on Horseferry Road. The Centre works with homeless young people and badly housed families, helping them to obtain employment and break out of the cycle of homelessness and social exclusion.
